EROTIC ENCOUNTER

Amazing

On the bed next to me, my girlfriend's still sleeping. I stroked my cock while I thought of Jillian. She and I work together at a large advertising agency, in the Contracts Department. I'm thirty five and she's over twenty. Jillian started at the company a year ago and is now the talk of the office. Not only for her looks, but for her mouth. That is to say, she apparently talks a lot of sex around the office and has yet to be reprimanded for it. I had only heard about it second hand. This day, she and I had to go a government office to pick up some records for a client.

Almost as soon as we got in the car, she started asking me how my sex life was, how often I got laid, how many times I fucked women, how many one night stands, and if I liked to play kinky sex games. For the next thirty minutes of the drive we exchanged both real and, probably, made up stories. She said she played a lot of sex games with both men and women, and as long as it didn't interfere with her work, she was okay with it. I listened and said, 'Sure, me too.'

Before going in to the building, I decided to ask how these kinky sex sessions happen. She said that people who know people would call or text her with what they wanted and if she liked it, and felt like it, they would set up a rendezvous and engage. I joked, kinda like an exclusive sex country club. She found it amusing.

After completing our task, I called up my friend Manny

after work that day and told him I had the inside info on Jillian. We talked for a while and concocted a plan and the next Monday put it into motion. He would text her pretending to be an ex-participant and tell her that a new person was going to text her for a 'play date' as she had called it. We thought that with enough inside information she would agree. And she did. I was that 'new person.'

She and I texted back and forth to get the details worked out. At work I did not say a thing or give any indication it was me. It had to be anonymous. After all I have a girlfriend.

Saturday morning I got the message I was waiting for. Manny and I were going to show up with masks on at eight that evening. I called Manny immediately after the plans were finalized. A quarter to eight Manny and I parked near her house and covered our faces with masks looking like a couple past presidents. We'd dressed pretty simply so our clothes would not give us away, either. We decided, and agreed, that there was to be no talking on my part, so she wouldn't recognize my voice. He could talk, but not to say my name or too much else. We walked up to the house and rang the doorbell.

Jillian was wearing a long flowing dark gown-like thing when she answered the door. She looked amazing: tall and statuesque with full pouty red lips and long black hair and black stockinged legs peeking out through slits in her gown. She led us into the living room where

a hundred candles ringed the sitting area. In another room we heard voices, moaning and other muffled sexual-sounding noises. Was this an orgy or a swinger's party? She stopped in the middle of the large room, took off her robe and stood there totally naked in front of us. Her skin seemed like it was glowing in the candlelight and her pussy mound was hairless. Her boobs were beautiful, perfectly firm and big, with half-dollar size nipples. In a low sultry voice, she told us to strip, which we did in two seconds. The three of us are all naked now except for the masks Manny and I wore. She took a couple steps, sat on the sofa and took her mask from the side table and put it on. It was beautiful, like the Venetian paper maché carnival masks.

Jillian extends her arms, one to each of us to come closer. I kept looking at Jillian's naked body, as Manny made his way towards the sofa unable to hold himself back. He slowly leaned down and Jillian wrapped her beautiful long thighs around his head as he slowly pressed his lips against her pussy. He kissed all along the outer edges as his tongue making circles around her clit. He slowly spread apart her pussy lips, his tongue diving into her, exploring it like it had a mind of its own. He ran his hands up her stomach, gripping her breasts, fondling them roughly.

She nodded towards me and I smiled as he slowly squatted over Jillian, gently easing his cock into her waiting mouth. She let out a soft purr as she felt his cock touch her lips and move past them into her hot mouth. Her eyes shut as she felt his long, hard cock enter her causing her head to rock against it, breathing hard as she did. Instantly her mouth was over his mushroom head, pulling and licking at it gently at first before becoming rougher and rougher. She moaned softly as she tasted his warm precum in her mouth. Her tongue rolling around up and down the shaft.

Then she lay down on the sofa, and Manny buried his cock into her pussy as he slowly slid his enormous manhood straight past her clit. He gripped her shoulders, and started to slam in and out of her. He growled softly as he plowed his meaty manhood in her hole. I couldn't take it anymore and went over and straddled Jillian's face. She began by lapping the underside of my cock. She buried her face deep into my balls, tongue flicking at every twitch of them. Her hands gripped my butt cheeks tight, digging her nails into me as Manny pounded her harder and harder causing her to yelp with pleasure. She groaned while continuing to suck me nibbling on my cock with her teeth before attacking it with her tongue.

Manny reached out and gripped her full breasts, fon-

dling her roughly as he continued to make hot rough love to her, his length sliding almost all the way out then slamming back into her. Jillian growled out loud as his cock went harder and harder into her, causing her pussy to get wetter and wetter. Her body trembled as she tried to fight back another orgasm. She knew her body wouldn't be able to handle much more and she wanted to keep going but her body had other plans. Manny could tell that Jillian was spurred on by his motions and that only caused him to pump his cock harder into her.

He says he felt her sugar walls tighten around him until she released her beautiful juices all over his shaft. With one mighty thrust, Manny plunged his cock deep into her pussy and let his cum burst forth, entirely coating her insides and causing their combination of love juices to leak slowly from her overflowing slit. She muffled her screams as she came and came. Her body quivering hard as she hit her peak and dug her teeth into my cock and that only made me orgasm as well from the pleasure of her teeth. Then she then drained and swallowed all my cum.

I got off the sofa and led her around to the back of the couch and bent her over it and waved Manny over. He rested the tip of his cock against Jillian's soaking wet pussy. He pushed just the tip in between her pussy lips. He paused for a few seconds, maybe weighing his decision, and then switched holes and pushed his cock against her anus. Jillian made a squealing noise, but pushed down on his cock too. They pushed like that, back and forth, for a few seconds. Jillian reached back and pulled Manny's cock back down towards her pussy. It slid in easily, right to the hilt in one stroke, and suddenly it was completely swallowed up. Then she pulled it out and put the tip of his dick against her butt hole again, and with a bit more pressure, he was halfway into her ass.

While this was going on, I sat down on an armchair and

watched Jillian's huge breasts sway as she was fucked from behind, bent over the sofa. She was gasping in ecstasy as Manny pushed all the way into her ass, and put his hands on her shoulders to pull her butt down on his cock harder. Jillian came loudly, but still didn't speak. She spun around and kneeling in front of him, leaned her head back and opened her mouth wide and Manny delivered. He unloaded a jet of cum across her face. She made a show of sucking his cock again, going at it while she waited for whatever came next.

And she didn't have to wait long. I took Jillian's arm and brought her to my armchair, kneeled her down in front of me and sat while she sucked my cock back to a full hard-on. Her deep throating was amazing, and I was ready for round two. I wanted to try anal with her, too. As soon as I was fully hard once again, I turned her around and made her start sucking Manny's cock while she stood and bent at the waist. I got behind her.

She was so hot and wet, as I plowed her pussy for five minutes while she kept deep throating Manny. Then I stuck it in her asshole. I thrust deep into her little

brown star at least a dozen times, building the ecstasy and my orgasm until I was at the edge again. I shoved my cock deeper and gave her three hard, long and full thrusts, and shot my second load deep into her butt. I pulled out and watched my cum drip out her backdoor, down between her buttocks and down her legs.

It's now midnight and we've exhausted ourselves. Sweat was running down our faces under our masks as we got dressed. Jillian just sat on her sofa waiting for our departure. We headed for the front door and Manny said good-bye. I nodded and opened the door. When we got to the car, we just sat there for five minutes before either one of us said anything. Then we took off our masks revealing the biggest grins as we pulled out just in time to see her inviting another masked couple into her house.

GINA

When I turned eighteen, I thought the world was my oyster. I wanted it all and went for it all. And I got almost all. What I didn't get was a happy sex life, so I expanded my horizons and found love for all the right places. I've become an oral sex aficionado and no cock is safe from my mouth anymore. Then I discovered anal sex and I'm really starting to like it a lot. There's the naughtiness of it, but there's also the great feeling it gives.

Our men are in the other room watching a ball game. We gals got bored with that shit, so we decided to go out by the pool and do some yoga to relieve the stress. It's hard to believe that they prefer their game over us, so we'll just enjoy ourselves. Fortunately, it got too hot outside and so we went to a back bedroom where they couldn't hear us. MELISSA

I grew up all sweet and coy, trying to be a good girl and date only good guys. I never got a chance to go through my bad boys phase. Now that I'm into it, I love it. They are good fucks with a lot of energy and attitude. Just the way I like them. I only wish they would spend more time licking my pussy and fucking than being bad. But now that's the challenge. To turn them good.
